Taking the Gospel of Grace to Haiti
...where Voodoo is king.

April 2018

Grace to You, Dear Church Family and Supporters,

What a privilege to serve the Master who redeemed us to serve Him and share His eternal glory. We serve Him in a variety of ways, and we serve Him in different places on the globe. It is a profound passion for me to serve Him as well. Now I am on deputation to serve Him in my country of birth, Haiti; a country where voodoo is king.

The United States of America was founded on Christian principles; my country, Haiti, was not. In fact, historically, prior to the independence declaration, a voodoo ceremony was taken place to call upon gods to grant independence. Ever since, the country has been governed and controlled by spiritual darkness, resulting in animal sacrifices to the devil, witchcraft, devil's worshipping, and demon possession. In other words, from the independence to this day, voodoo permeates and reigns in all aspects of Haitian society. That is a sad story, but God, in His saving grace, has a plan for this nation. That is why God is sending a new generation of missionaries to this dark and needy place. It is God's will for Haiti to hear the sound preaching of the Gospel of Christ. Also, it is God who put a burning desire in my heart to go to Haiti to reach that nation with the proclamation of Christ's works on the cross.

When my calling to serve in Haiti was confirmed in cooperation with my sending church, I made a survey trip to north and northeast Haiti, Cap-Haitien area in June 2017. That trip was eye-opening to me, because God enabled me to see the obvious needs of the country that I left nine years ago. During that trip, I had the opportunity to preach the transforming Word seven times in two churches.

All praises be to God, who saved me to serve Him. Therefore, I will always be thankful to Him for calling a wicked and sinful man like me to serve Him and to go back to Haiti to reach my fellow Haitians, whom the devil is blinding and enslaving. Additionally, I am and will always be thankful to God for those who put me in their heart and stand with me in the spiritual warfare.

Your prayer support is and will always be needed. Please continue to implore God on my behalf for these requests. Pray for a closer walk with the Master. Pray for a burning passion for lost souls. Pray for my spiritual growth and Bible understanding. Pray for some churches, families, and individuals to partner with our ministry to Haiti. Though

I am just beginning deputation by myself, pray that I would finish the process as a married couple. Pray for other missionaries to go to Haiti. Pray that the true Gospel of Christ's works on the cross would be preached in Haiti. Pray for the country of Haiti—not only for spiritual needs, but also for serious governing leaders, lasting developments, and education.

Thank you for embarking on partnering with me in the ministry. Remember, your prayers are what counts the most for our ministry. Finally, I would invite you to see our website gospelgraceforhaiti.org.

Grace to you,
Jimmy Pierre
