Taking the Gospel of Grace to Haiti
...where Voodoo is king.

July 2019

Dear Prayer Warriors and friends,

God has blessed us with many blessings. But The greatest one in life is salvation in Christ by grace through faith, which is our hope of seeing our Savior face to face. As we are waiting for the coming of our great God and Savior, we are required to share the saving Gospel to the whole world. That is one of our callings. As I am traveling on deputation in the States to go to Haiti, a country where syncretism of Catholicism and voodoo is preminent, the Lord is increasing day after day my passion and burden to see lives changed there. Just as my grandparents were saved by American missionary influence from offering sacrifices to the devil, I also believe that He wants to save more Haitians from voodoo and Catholicism.

Biblical training is always important for missionary. During my preparation to the field, I had two additional trainings with BWM, Orientation Seminar #2 and Soul Winning Seminar. It has been fantastic. Also, I am so grateful that God is at work

in my daily life and in raising support. Four additional churches have just taken me on for support. God, step by step, is showing His faithfulness and confirming his calling in my life to reach the Haitians. After one year of deputation I can see personal growth, determination, understanding of my calling, and God's provision. Churches and members have heart for mission, and they contribute prayerfully and financially to the point that reach 50% of the present needed support. To God be all the praises!

But nothing happens without prayer partners, you, who understand the challenges of the field and necessity of prayer. I deeply thank you for supporting and praying for me. Now, I want to consider some prayer requests. **Pray** for the advancement of gospel in Haiti. **Pray** for lost souls. **Pray** for national Pastors. **Pray** for the Country of Haiti. This country needs big changes. **Pray** for more speaking engagements for the rest of 2019 and for more churches to take me on for support, so I can be on the field as soon as possible but in God's timing. **Pray** for personal strength and courage and self-motivation. **Pray** for more opportunities to preach the Gospel passionately and accurately. **Pray** for immigration paperwork and costs. **Pray** that the Lord would marry me with a godly young lady before the deputation is over. Let's work together to reach the perishing and to strengthen the redeemed.

Grace to you,
Jimmy Perre
